## Feedback to the student

☐ See also comments in the text

Feedback to the student		Very good	Good	Needs improvmt
C O N T E N T	<b>Completeness, quantity of content:</b> Has the report covered all aspects of the lab? Has the analysis been carried out thoroughly?			
	<b>Correctness, quality of content</b> Is the data correct? Is the analysis of the data correct? Are the conclusions correct?			
	<b>Depth of understanding, quality of discussion</b> Does the report show a good technical understanding? Have all the relevant conclusions been drawn?			
	Comments:			
P R E S E N T A T I O N	<b>Attention to detail, typesetting and typographical errors</b> Is the report free of typographical errors? Are the figures/tables/references presented professionally?			
	Comments:			

Overall assessment (circle grade)	A*	A	B	C	D
Guideline standard	>75%	<b>65-75%</b>	55-65%	40-55%	<40%
Penalty for lateness:		20% of marks per week or part week that the work is late.

November 15, 2020

## Abstract

This report outlines the results of the second coursework for 4F13.

## Contents

<b>1 Questions</b>	<b>1</b>
1.a Gibbs Sampling . . . . .	1
1.b EP - Message Passing . . . . .	1
1.c EP - Top Four Head to Head . . . . .	1
1.d Gibbs - Nadal v Djokovic . . . . .	1
1.e Method Comparison: Win ratio, Gibbs and EP . . . . .	1

## 1 Questions

### 1.a Gibbs Sampling

Listing 1: Gibbs sampling additions

```
m = np.zeros((M, 1))
for p in range(M):
    # fill in m[p] prediction (natural param conditional)
    wins_array = np.array(G[:, 0] == p).astype(int)
    loss_array = np.array(G[:, 1] == p).astype(int)
    m[p] = np.dot(t[:, 0], (wins_array - loss_array))

iS = np.zeros((M, M)) # Container for sum of precision matrices (likelihood terms)
for g in range(N):
    # Build the iS matrix
    winner = G[g, 0]
    loser = G[g, 1]

    iS[winner, winner] += 1
    iS[winner, loser] -= 1
    iS[loser, winner] -= 1
    iS[loser, loser] += 1
```

### 1.b EP - Message Passing

### 1.c EP - Top Four Head to Head

### 1.d Gibbs - Nadal v Djokovic

### 1.e Method Comparison: Win ratio, Gibbs and EP

Words: 987
